Cattle Auction Brings Top Prices At Local Livestock Market

SPONSORED BY THE CATTLEMAN'S ASSOC. BUYERS ON HAND

Cattlemen were paid top prices for a total of 292 head of fed and stocker cattle in their special spring sale on April 4, according to Harris Noates, County President of the Cattlemen's Association.

Slaughter cattle sold up to \$27.00 mostly \$24.00 to \$25.00 per CWT. Feeder prices ranged from \$22.00 to \$25.00 per CWT with light weights selling up to \$28.00 per CWT. Extra good bulls sold for \$20.00 per CWT. Cows with flesh up to \$17.00 per CWT. Heavy slaughter steers 1,000 to 1,300 lbs., \$25.25 to \$27.00 per CWT.

The quality was good and the demand was strong. The demand was well balanced which makes a good market. There were buyers for both slaughter and stocker cattle attending the sale.

The sale took place at the Elba Cattle Co-op Auction Market, Elba, Alabama.

GRASS MAKES BEEF — Johnnie B. Maddox, left, tells Coffee County Agent J. R. Speed that good grazing is a must in a profitable beef cattle program. These oats and rye were overplanted in the Coastal bermuda last fall. In the spring when these two grasses dry out, the Coastal bermuda will come out and provide summer grazing.

Bike Ride And Lunch Enjoyed By Brownie Troop 356

Brownie Troop No. 356 was entertained with a bicycle ride and picnic Saturday, April 7.

Brownies met at the home of Mrs. Charles Burdick, the Troop Leader, with their bikes and a picnic lunch.

Those enjoying the day were Jennifer Taylor, Rona Burdick, Kaye Mack, Cathy Bowers, Sue Harper, Barbara Sherrer, Paula Wright, Verla Smith, Karen Clay, Janet Daniels, and Karen Fuller.

Also accompanying them were Jennifer, Hoyt and Joy Lynn Burdick.

Alabama Electric Cooperative General Manager Basil Thompson this week expressed deep appreciation for the broad public support given the \$20,000,000 expansion project of the Cooperative.

Alabama Electric, whose membership includes 17 rural electric cooperatives in Alabama, is a not-for-profit corporation, with six municipal utilities and two industries, received a \$20,000,000 loan last November from the Rural Electrification Administration (REA) to enlarge its power generation and transmission facilities.

Under Alabama law, the State Department of Finance must consent to the issuance of notes before the REA loan funds can be expended for the purpose for which they were approved by REA. Hearings, which opened before Finance Director Maurice Patterson on March 28, are scheduled to resume on April 18, following a continuation of proceedings.

Alabama Electric began operations in late 1944, and power requirements of its members are now almost eight times greater than they were then. Thompson said. The Cooperative presently operates three hydro power plants, and a steam power plant at Gantt, near Andalusia, along with transmission facilities in 10 counties of South Alabama and Northwest Florida.

There will be a Sunrise Service at the New Broken Methodist Church on Easter Sunday morning at 6 o'clock. "Good Friday" will be observed by the church at 10:30 on Friday morning, April 20.

The public is invited to attend these services.

Positions Filled As Black - Gold Game Ends Tiger Training

By Bob Norman

The Elba High Tigers finished the last week of football Spring training with a flourish Friday week, a flourish this year's seniors 20-0 in the annual Black-Gold game.

Coaches George Grider, Ray Flowers and Roland Powell had 31 varsity players battling for positions during Spring drills. A of these were regulars from last year's squad which posted a 7-2-1 record, and finished third in the South Alabama Conference. The 11 graduating members of that squad left holes to be filled, but several players showed the potential to step up to starting positions.

Two regulars return at end. Joe Spurlin (6-2, 165), last year's top pass receiver, and Sammy Edmondson, (140), a defensive star, are the top ends. Both are Juniors, Harold Walker and Jimmy Martin are behind them.

Harold Cain (184) and Lamar Kelley (160) make tackle the strongest position in the line. Cain, a senior, and Kelley, a Junior, were starters last fall. Rick Benton, (165) and Buddy Bowers, (160), lend support.

Charles Pearce (6-0, 175), is back again at right guard where he was honorable mention All-SAC last year. At left guard however, several players are competing for the slot vacated by two-time All-Staters Mickey McCollough, Johnny Kilcrease, Larry Carter, Terry Carnley and Joe Johnson are the leading candidates. Johnson and Kilcrease will be Seniors next year.

Another hole to be filled is center, where All-SAC Bob Duran starred for three years. Senior Steve Dewberry (175) has won the starting nod, and John Orman, (165), lends strong support.

Quarterback is in excellent shape, Coach Grider feels, with alternates Tony Hudson and Jimmy Enzor. Hudson is a 14-0 lead.

In the third quarter, the Senior's Ricky Kennett recovered a fumble. A play later, Smith, who played virtually the whole game at quarterback, scored the first TD. Jimmy Enzor, running from left half, ran over the point.

Once more in the third quarter, Smith led his black team to paydirt. A 28 yard Smith to Spurlin pass set up the score and Smith went over from 5 yards out. The 12-0 lead was now 12-0. The 12-0 lead was now 12-0.

Leading the Black's offense were Smith, who connected on 6 of 11 passes and Free, Spurlin, Edmondson, Cain, Dewberry, Carter and Free excelled on defense for the scrappy but out-manned Seniors, quarterback Mack Watson and half-backs Jimmy Holley and Donnie Flowers led the offense, while Ricky Kennett, Joe Clark and Bob Duran were outstanding in the line.

Other sports activities got into full swing this week. Coach Ray Flowers' baseball team, the first Elba High squad in five years, had an opening game scheduled Tuesday with Florida. The Tigers are in the son division of the SAC along with Opp, Florida, and Ozark.

Coach Flowers has a number of players trying for positions and looks for a winning season.

Saturday morning Boutwell will be in Brundage at 9 o'clock until 9:30. Troy at 10:30 until 11 o'clock and in Montgomery from 1 until 6:30 p.m.

The public is invited to attend these services.

Let's Be Fair... Leave Posters Be For All Candidates

A lot of complaints are being heard about the destroying of posters that have been put up for candidates. There is some belief that the posters are being destroyed by children. And there is some belief that the posters are being torn down by the opposition.

Such action is unlawful as well as unethical. Parents should caution their children about the destruction of posters. Not only are the posters expensive, but their destruction comes under the "destruction of property" and those participating in such actions are subjecting themselves to fines.

But in many areas all posters, regardless of who they're advertising a race, are known to be destroyed in a pile.

The Enterprise office of the Alabama State Employment Service placed a total of 121 people on jobs during March.

Woodrow Simmons, manager of the office, stated that this was an 8.4 percent increase in placements over February, and a 12 percent increase over March, 1961.

Simmons also stated that 35.3 percent of the job seekers registering for work at this office during March were under 20 years of age.

On wash day save yourself some trouble. Pin all the socks to hangers while sitting down. Then when you go out to the clothesline, pin the hangers securely to the line.

At last! From Arkla-Servel comes a GAS heating and air conditioning unit that's really new... converts an ounce of GAS into more than enough heating and cooling to slug it out with Summer heat and Winter cold and never yield a degree... laughs at repair and utility bills, because it has NO MOVING PARTS in the heating and cooling cycle... wrings out, sifts and cools or heats to just the temperature that suits you... leaves dust and pollen outside to irritate the bees... operates like a coffee percolator and who ever heard of a coffee percolator wearing out?

If spending a penny to get 2c worth of heating and cooling makes sense to you, then call us for further information about the Arkla-Servel Sun Valley* All-Year GAS air conditioner.
